

Peer-to-Peer Mentoring

This grant is less clear to me in terms of what all of my responsibilities might include. So I am taking a guess here and it may or may not be accurate.

Develop the training instrument we will use for educating the orgs in our philosophy, administering the project and what is to be expected in general
Assemble a training package for the F&C based orgs to use when training their Peer mentors

Provide some “workshop” sketches for the orgs to implement for their mentors and mentees to attend together

Train 6 peer mentors

Train 3 F&C based orgs to provide p to p mentoring for our youth
