

14) Accessibility and Activism	This session will cover valuable information on what to do to find an accessible meeting place and how to handle it in the place where you want to meet is not accessible. We will also talk about that fact that accessibility means different things to different people, and the need to be aware of the accessibility needs of your mentee. Skill-building techniques for this session will include resource collection and utilization, advocacy, problem solving, and the ability to further investigate the situation at hand will be enhanced in this session.	5:00-8:00 PM	3.0
